RE: Guest licenses 2024

Dear Secretary General,

We are glad to inform you that also for 2024, we have confirmed a discounted rate of € 20,00 for guest licenses for Croatian riders.

It allows riders registered with the Croatia NF to compete throughout Italy in all types of competitions in any discipline.

The requests for dedicated Guest Licences can be sent to Ms. Annalisa Disomma [licenses@fise.it]

With the hope that exchanges between our countries can be intensified in this way too, I take this opportunity to send you my best regards,

Simone Perillo
